Is it for me?

It's for you if you want a year to learn how to study and teach the Bible, to experience how people of all ages can feed and grow from God's word, and to see how a newly planted church works and reaches the lost.

We are looking for someone who is:

- committed to Jesus Christ, His Church, and reaching the lost
- teachable and keen to grow spiritually as they serve others
- ready to carry out practical acts of Christian service
- committed to studying the Bible and applying it to life and culture

Who are we?

We are a Church planted in September '07 in a suburb of Doncaster which has by God's grace and goodness seen growth. On a Sunday we usually number about 60-65, with about 1/3 of that being children and teenagers. The church is composed of a range of ages and backgrounds and is looking to grow and spread the great news of the gospel. Our website will give you an insight into who we are: www.graceinthecommunity.org
